The University Grants Commission (UGC) has given priority to downtrodden students and staff members during the IX plan period and directed all Universities to establish an SC/ST Cell in each College so it is established as for as University direction through the Memorandum dated on 22.7.2026 (DVV /CDC155/26-27) and the committee is established from 28.07.2026

, the purpose of these cells is to monitor the admission of students and the recruitment of teaching and non-teaching staffs at various levels. The SC/ST Monitoring Cell of the College ensures to address deep-seated discrimination in our social system. It also guides weaker section students to avail of all permissible scholarships and financial assistance and other facilities and privileges. Our college has always ensured that the weaker sections students do not get left behind in the learning as well as overall academic development process. Teachers pay more attention to their special needs and provide them more encouragement and support by various strategies for the enhancement of the SC/ST students.
